Guidelines

- **Attendance**
 - Regular attendance is important for progress.
 - Students missing more than 3 classes in a term may be asked to do a catch-up session (fee applicable).
- **Missed Classes & Make-up Policy**
 - If a student misses a class, **fees will not be prorated**, as our billing is on a month-to-month basis rather than per class.
 - Exceptions only for **family emergencies** or if more than **3 classes in a month** are missed due to **travel/sickness**, with prior notice.
 - Students can attend a **make-up class** during the week for occasional absences.
- **Fees & Payment**
 - All fees are to be paid via **Zelle starting** from August.
 - Please set up a **recurring payment** and pay **before the 7th of each month**.
 - A **\$5 late fee** will apply each month after the 7th.
- **Progression & Grouping**
 - Student progression depends on **mastery**, not time. Batch changes may be made based on learning needs.
- **Communication**
 - All important updates will be shared via **email and WhatsApp**.
